COTABATO CITY – The Aboitiz owned Cotabato Light and Power Company (Cotabato Light) today offered tips to all power consumer under its franchise area how to avoid conflagration as the country observes Fire Prevention Month.

In a statement, Cotabato Light said the safety tips will help the firm's concessionaires avoid fire and save lives and properties.

The safety tips that came in poster form are in the Filipino and distributed to the public.

Cotabato Light powers the entire Cotabato City and portions of Datu Odin Sinsuat and Sultan Kudarat, Maguindanao.
