

COTABATO LIGHT DONATES A TOOL FOR BETTER LEARNING

Written by Donjie Gentiles Vertuoso

LEARNING THE BETTER WAY: Cotabato Light HR and Comrel Manager Anna Lea Nataño hand-over the brand new LCD projector to CCNHS - Annex PC Hill Principal Ms. Romelyn Adolacion.

Technological advancements are meant to help us to make things faster and better. Nowadays,

COTABATO LIGHT DONATES A TOOL FOR BETTER LEARNING

Written by Donjie Gentiles Vertuoso

there are lots of inventions that improved our way of living and learning. These innovations, tools and equipments are very useful in our daily life.

With that value and belief, Cotabato Light responded to Cotabato City National High School (CCNHS-PC Hill) request to donate a set of LCD projector and screen. That Php 22,500 worth of equipment was turned over on December 13 at the School's premises during the simple ceremony.

This equipment aimed to enhance CCNHS-PC Hill teaching method especially with Department of Education's K+12 program. With this tool, it is expected that the learning environment will be more advantageous to students.

Cotabato Light is a strong believer that a better future belongs to the younger generation. Thus, the heart of its Corporate Social Responsibility (CSR) activities centers on the youth empowerment and greater environmental sustainability.

CCNHS-PC Hill Principal Ms. Romelyn Adolacion was very happy that Cotabato Light had once again heeded to their request. "Maraming salamat po sa inyo. Sana ay hindi kayo magsawa sa pagtulong sa aming paaralan at ng mga estudyante nito. More power to Cotabato Light!", she said.

Also present during the event were CCNHS-PC Hill teachers and pupils, PTCA President, PC Hill Barangay officials, Cotabato Light Brand Officer Donjie Vertuoso and IT staff Re Perry Gallos.
